ROD MACHINING

U-R-B-A-N

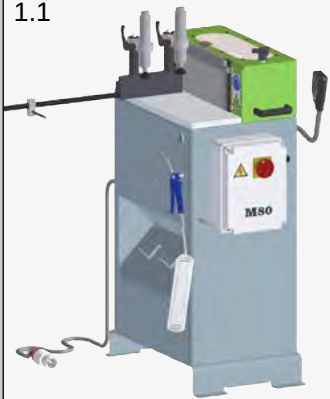

Trust. Right from the start!

1.1 End milling machine M80

1.2 End milling machine M 110-2 / M 100-14

1.3 End milling machine AKFU 250 / TWL

1.1

1.2

1.3

2.1

2.1 Copy router A 23 AZ / A 25 AZ with centering device

3.1

3.1 Handle drilling machine - locking case miller GSU-K 100

4.1

4.1 Water slot milling machine WS 203

4.2 Manual machines WS 630, SE 610 and SA 650

4.2

ROD MACHINING

U-R-B-A-N

Trust. Right from the start!

4.1

4.3

4.2

4.1 Screw advance unit DS 1700

4.2 Automatic screw feed device ASS 60

4.3 Screw driver with handle or in rod design available

5.1

5.2

**5.1 Fully automatic screwing unit
AMS 6010**

**5.2 The fully automatic screwing unit
with drilling unit AMS 6020 DB**

**Profile machining
centre**

WELDING

U-R-B-A-N

Trust. Right from the start!

- 2.1 Double-head welding machine AKS 3900**
- 2.2 Double-head welding machine AKS 3950**
- 2.3 Double-head welding machine AKS 4300**
- 2.4 Horizontal 4-head welding machine AKS 6250**
- 2.5 4-head welding machine AKS 6400**

1.1

1.2

- 1.1 Single-head welding machine AKS 1020**
- 1.2 Single-head welding machine AKS 1150**

2.1

2.5

WELDING

U-R-B-A-N

Trust. Right from the start!

**Vertical 4-head welding machine
AKS 8400**

3.1

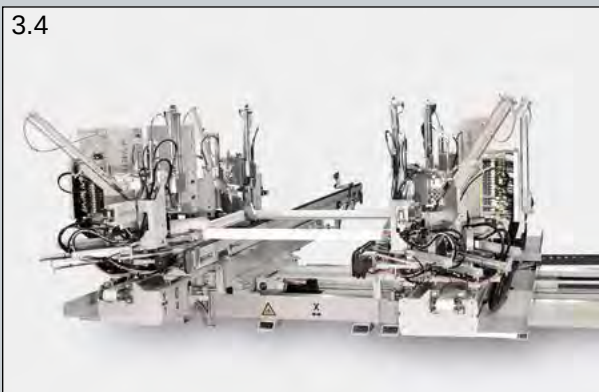

3.2

3.3

3.4

- 3.1 Horizontal 8-head welding machine
AKS 6600/8**
- 3.2 Horizontal 6-head welding machine
AKS 6600/6**
- 3.3 Horizontal 4-head welding machine
AKS 6600/4**
- 3.4 4-6-8-head welding machine
AKS 6900/4/6/8 Vario**

CLEANING

U-R-B-A-N

Trust. Right from the start!

1.1

1.2

1.3

1.1 Universal manual grooving unit HS 0572

1.2 Universal manual weld seam cleaning unit MaHa

1.3 Manual weld seam cleaning unit HOB

2.1 Corner cleaning machine SV A-21 with automatic end milling

2.2 Corner cleaning machine SV 290

2.3 Corner cleaning machine SV 405

2.4 Corner cleaning machine SV 410-B

2.1

2.2

2.3

2.4

3.1

3.2

3.1 Corner cleaning machine SV 430-C with turning station WT 430-C

3.2 Corner cleaning machine SV 430-C

CLEANING

U-R-B-A-N

Trust. Right from the start!

4.1

**4.1 Corner cleaning machine
SV 530-C**

**4.2 Corner cleaning machine
SV 530-C with turning station WT 530-C**

4.2

Corner cleaning machine SV 800/4

Corner cleaning machine SV 840

ASSEMBLY UNITS

U-R-B-A-N

Trust. Right from the start!

Drilling unit for cross corner brackets ESB 210

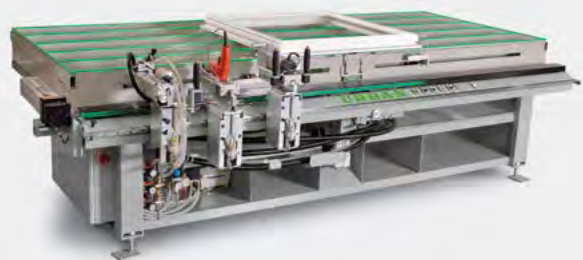

**Gear trolley
BW 2000 with
gear punching
unit BS 2000**

1.1

1.2

**1.1 Sash assembly station FAS 250
1.2 Sash assembly station FAS 320**

**Sash assembly unit
FBA 2500/2**

Sash assembly unit FBA 2500/4

HANDLING EQUIPMENT

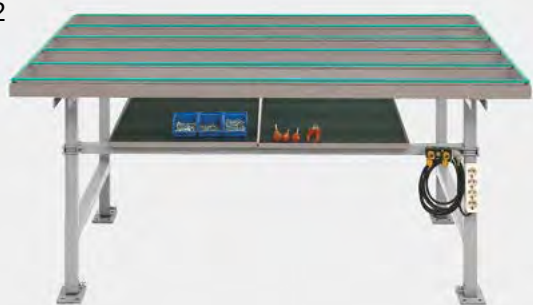

U-R-B-A-N

Trust. Right from the start!

2.1

2.2

2.3

2.1 Tilting table with height adjustment STH 2500
2.2 Work table AT 2000
2.3 Tilting table with automatic lowering roller conveyor ST 37/16-20 AR

3.1 Sliding table 13 S 200
3.2 Commissioning trolley KW 1600
3.3 Roller conveyor vertical RVT

Gasket trolley
HS 10.1

Storage shelf for elements ER

Control and glazing unit KV 2800 HF
